## Know-how makes the difference

Al Badi Equipment & Trucks LLC provides advice on machine configurations, capacity, and undertake the sales service. We have well experienced wing of sales and service and can supplying machinery to key industries and can help your organization get moving on infrastructure and on your based projects. We not only have the sales & service know-how but can also take care of technical assistance and training.

## *Tailor-Made Solutions*

**From small type heavy equipment to large type of equipment, Al Badi is expert in supplying reliable affordable machinery. If the machinery you need is not in stock, we can source, find and deliver at your doorstep within a scheduled short period. Our objective is to supply the most suitable machinery for the job, always considering factors like your budget, climate, location, operating conditions and availability of skilled personnel.**

## *In-House Facilities*

**Our fully equipped Showroom and workshop facility is located in Ghala, Muscat. The workshop has facilities and skilled personnel for complete mechanical overhaul, service, maintenance and testing, and is fully equipped for carrying out inspections. This gives us the capability to bring used heavy machinery up to the standard you require and is reassurance that it is reliable and able to do the job it is intended for. It is equipped with large capacity of required spare parts also.**

## Business Units

The Al Badi Equipment & Trucks LLC has three business units to effectively serve customers:

Supply of spare- and wear parts

Sales of new heavy equipment machinery

Maintenance division for after sales service and maintenance.

- Professional – a trusted partner with enthusiasm for, heavy machinery.
- Reliable – we deliver a quality product as promised thanks to careful planning, skilled personnel and big stock.
- Flexible – we cover needs ranging from machines with service and more.
- Hands-on – we guarantee close cooperation to deliver what you need
- Full service – parts and technical (after-sales) backup department.

## Your Benefits

- ❖ Speed - a wide choice of machinery available and inhouse service facilities.
- ❖ Choice – Leading brand and a choice of quality levels and configurations for fast delivery.
- ❖ Advice – Recommendation and solution for machinery and service requirements large or small.
- ❖ Turn-key – One supplier for the heavy machinery and support you need for a complete project.

**Reliable and affordable heavy equipment is an economic driver for projects all around the Sultanate. To ensure a steady supply and service, the Al Badi Equipment has well experienced and trained network to source some of the best new machinery and has invested heavily in spare- and wear parts and technical backup.**

**Mission: Become Supplier of choice**

As a new comer to the industry we value the customer relations and strive to be your supplier of choice.
